

SUPPLEMENTAL REISSUE DECLARATION AND POWER OF ATTORNEY

Attorney Docket No. 8194-601REI

As a below named inventor, I hereby declare that:

My residence, post office address and citizenship are as stated below next to my name.

I believe I am the original, first and sole inventor (if only one name is listed below) or an original, first and joint inventor (if plural names are listed below) of the subject matter which is described and claimed in U.S. Patent No. 5,377,183, issued December 27, 1994, and for which a reissue patent is sought on the invention entitled **CALLING CHANNEL IN CDMA COMMUNICATION SYSTEM**, the specification of which was filed on December 26, 1996 as reissue application no. 08/999,604 and was amended by amendments filed February 1, 1999, August 30, 1999, April 8, 2002 (for which a supplemental amendment is filed concurrently herewith to present the newly added claims with underlining) and September 30, 2002.

I hereby state that I have reviewed and understand the contents of the above-identified specification, including the claims set forth in the listed amendments.

I acknowledge the duty to disclose information which is material to patentability as defined in Title 37 Code of Federal Regulations, § 1.56.

I verify believe the original patent to be wholly or partly inoperative or invalid by reason of the patentee claiming more or less than I had the right to claim in the patent.

All errors corrected in this reissue application arose without any deceptive intention on the part of the applicant.

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.

POWER OF ATTORNEY: As a named inventor, I hereby appoint the following registered attorney(s) to prosecute this application and transact all business in the Patent and Trademark Office connected therewith.
